Dear Parents and Carers

COMMANDO JOE'S

Our children have all carried out their first 'mission' with Commando Joe's. They have really enjoyed their challenges and can't wait for their next mission; Developing their skills in teamwork, communication, resilience and trust.

Year 5 Challenge

Set by Tim Peake *'To design and build a space suit and space ship that will keep six astronauts safe and ensure survival outside the earth's atmosphere'*

The children all had great fun discussing what they would need to survive in space and made sure that their space craft had breathing apparatus, life support units and food storage.

Year 2 Challenge:

'To build a bridge and help Little Red Riding Hood cross the river to her cottage safely.'

The children all worked really hard and discussed their various plans and ideas. The challenge was completed successfully and Little Red Riding Hood got to her cottage without getting wet!

Orienteering Thursdays

Next week our Year 5 children will be doing their orienteering with Mr Jezard. Please ensure that your child brings in their wellington boots, a warm coat, hat, gloves and scarf.
