

Kit list for residential camping stay @FaB 2 day, 1 night

The children will be sleeping in our 3/4 person Outwell tents, foam mats provided.

- Sleeping bag preferable or duvet with a cover
- pillow
- Wellie boots and/or walking boots- wellies useful if grass is wet in the morning
- Pair of trainers
- Long trousers x2, try to avoid jeans if possible
- Waterproof trousers and coat
- Selection of warm tops, think layers (there will hopefully be some warm days but clear skies at night will mean it could be chilly)
- Toothpaste and tooth brush
- Wash kit eg towel etc
- Sun hat/cap and a warm hat for evening
- Torch, labeled if possible
- Sun cream
- Packed lunch for first day with a refillable non-breakable drinks container
- Plate/bowl/mug/knife/spoon/fork- labelled if possible
- Day back pack
- A cake/cookies/buns to share around the campfire and throughout the stay
- Cuddly toy if desired!

It would really be helpful if as much of your child's kit is labelled.

Please be aware of weather forecast, if your child's sleeping bag is quite thin please pack tracksuit trousers sweaters, wooly socks so they can wear them in their sleeping bag. Toastie children are happy children!

Thank you, Pete and Andrea Moore
