Dear Parents and Carers

Three Days of Laughing, Walking, Scrambling and Making Friends

What more could we ask for? Raft building, stream scrambling, glorious moorland walks in the sunshine; Donning harnesses and helmets, climbing walls and tors, learning the skills of archery and fencing. Our Year 5 children had a truly fabulous residential at Heatree.

Emergency Services Afternoon

Congratulations and well done to all our children who helped design and advertise the Emergency Services afternoon currently happening in the hall. We have various emergency service teams including the Devon Air Ambulance and local Coastguard talking to the children about the risks, dangers and what to do if they find themselves in trouble. The Stokenham Parish new Air Ambulance night landing site has been officially opened this afternoon and continuing on later in the parish hall, will be refreshments and presentations. The winners of our poster competition are: Robin B, Ava H and Tilly C.
