SOUTH HAMS FEDERATION

FREEDOM OF INFORMATION PUBLICATION SCHEME

Approved 13.07.20

Review: July 2022

Introduction

1.1 This publication scheme commits South Hams Federation to make information available to the public as part of its normal business activities. The information covered is included in the classes of information mentioned below, where this information is held by its schools. Additional assistance is provided to the definition of these classes in sector specific guidance manuals issued by the Information Commissioner.

2. The Scheme Commits the Federation:

- To proactively publish or otherwise make available as a matter of routine, information, including environmental information, which is held by the Federation and falls within the classifications below
- To specify the information which is held by the Federation and falls within the classifications below
- To proactively publish or otherwise make available as a matter of routine, information in line with the statements contained within this scheme
- To produce and publish the methods by which the specific information is made routinely available so that it can be easily identified and accessed by members of the public
- To review and update on a regular basis the information the Federation makes available under this scheme
- To produce a schedule of any fees charged for access to information which is made proactively available
- To make this publication scheme available to the public.

3. Classes of Information

SOUTH HAMS FEDERATION

FREEDOM OF INFORMATION PUBLICATION SCHEME

Approved 13.07.20

Review: July 2022

5. The method by which information published under this scheme will be made available

- The Federation will indicate clearly to the public what information is covered by this scheme and how it can be obtained
- Where it is within the capability of the Federation, information will be provided on the schools websites. Where it is impracticable to make information available on the schools websites or when an individual does not wish to access the information by the website, the Federation will indicate how information can be obtained by other means and provide it by those means
- In exceptional circumstances some information may be available only by viewing in person. Where this manner is specified, contact details will be provided. An appointment to view the information will be arranged within a reasonable timescale
- Information will be provided in the language in which it is held or in such other language that is legally required. Where an authority is legally required to translate any information, it will do so
- Obligations under disability and discrimination legislation and any other legislation to provide information in other forms and formats will be adhered to when providing information in accordance with this scheme.

6. Charges which may be made for Information published under this scheme

- The purpose of this scheme is to make the maximum amount of information readily available at minimum inconvenience and cost to the public. Charges made by the Federation for routinely published material will be justified and transparent and kept to a minimum
- Material which is published and accessed on a website will be provided free of charge
- Charges may be made for information subject to a charging regime specified by Parliament
- Charges may be made for actual disbursements incurred such as:
 - photocopying
 - postage and packaging
 - the costs directly incurred as a result of viewing information
 - Charges may also be made for information provided under this scheme where they are legally authorised, they are in all the circumstances, including the general principles of the right of access to information held by public authorities, justified and are in accordance with a published schedule or schedules of fees which is readily available to the public
 - If a charge is to be made, confirmation of the payment due will be given before the information is provided. Payment may be requested prior to provision of the information.
