Dear Parents and Carers

COVID-19 – SCHOOL CLOSURE

Following on from the announcement made by the Government yesterday evening our teachers are now providing remote online learning for all families to access. We are aware that some children will need new passwords for some of the online education platforms and details will follow very shortly.

The school remains open for the children of critical workers and vulnerable children who will access the same online learning as those working from home. All staff in school are playing a vital role in keeping our school safe and open for those children attending. Should you have a query or concern, please contact us by either telephone or email and we will respond as soon as we can.

From this week, we will be starting to undertake wellbeing telephone calls. These telephone calls will occur regularly during the lockdown so that we are able to keep in touch with all of our families.

If your child receives Free School Meals, we will be in contact as soon as we have further information.

As we receive further guidance from the DfE and the local authority, we will communicate this to you as soon as we can.

Thank you for your continued support and patience during this rapidly changing situation and over the challenging weeks ahead.

Yours sincerely

Tess Coulthard
Executive Headteacher - South Hams Federation
